

# HORS D'OEUVRES

Appetizers are the perfect prelude to any event. At Jessica's Cucina, we have a variety of options to help you create the perfect start to any kind of event, or choose several to make a whole meal of small bites. Most appetizers are figured as 2 pieces equal one serving. Appetizers with a star are figured using a different count. During your consult, we can go into further detail.

\*Prices are subject to change.
